Session Descriptions

Safety will be of the utmost importance and will be priority in each session!

Hands-On Rein Handling- *Mary Ruth Marks*

The whys and hows of rein handling- with the aid of rein board; learn and practice various rein handling techniques.

Hands-On Line Driving – *Deb Sauer*

Learn the basic principles and practice with a schoolmaster.

How to Take Vital Signs and More *Lydia Gray, DVM*

Get hands-on instruction and practice in taking temperature, pulse, and respiration and other health measurements in horses. This session will also cover body condition scoring and estimating weight, as well as the best way to cool a hot horse.

Put To & Drive A Schoolmaster – *guidance from schoolmaster owner/morning presenters*

Learn the safe way to put-to and apply your morning learnings and try out a schoolmaster.
